¹ O Allah, Tireless Owner of Bounty. O Owner of Sublimity, Honor, Power, and Blessings. There is no Allah except You, the Support of refugees and Neighbor of those who seek nearness, Guardian of the fearful. O Allah, if you have written in Your Book that I be abject, deprived, banished, and tight-fisted, then erase O Allah, through Your bounty, my misery, deprivation, banishment, and stinginess and establish me with You as happy, provided with blessings, for surely You have said—and Your Word is True—in Your Revealed Book on the tongue of Your Messenger, “Allah blots out or confirms what He pleases, and with Him is the Mother of Books.” (13:39) My God, by the Great Manifestation of the Night of the middle of the Noble Month of Sha`bān “in which every affair of wisdom is made distinct and authorized,” (44:4) remove from us calamities—those we know and those we do not know, and Thou knowest best—for surely You are the Most Mighty, the Most Generous. May Allah bless Muhammad and his Family and Companions.
